

## YOUTH CLIMBING PROGRAM

Our highly successful, exciting, and challenging Youth Climbing Program is for boys and girls ages 5-18.

Students will develop strength and flexibility while learning proper techniques (handwork and footwork) for successful climbing. Concentration and problem solving also improve as students focus on the fundamentals of movement.

Students enroll for one or more classes per week by registering for a specific day(s) and time(s). No more than four students per instructor will be enrolled for each day/time slot. Make-ups are provided for missed classes in accordance with Garden State Rocks policy. Please note that specific classes may be cancelled by the gym if there is insufficient enrollment.
