CLIMBING PROGRAM for KIDS and TEENS

Our highly successful, exciting, and challenging Youth Climbing Program is for boys and girls ages 5-18.

Students will develop strength and flexibility while learning proper techniques (handwork and footwork) for successful climbing. Concentration and problem solving also improve as students focus on the fundamentals of movement.

Classes are run in 8 week sessions. Children enroll for one or more classes per week. Small classes with a maximum 4:1 student/teacher ratio. Make-ups are provided for missed classes in accordance with Garden State Rocks policy. Please note that specific classes may be cancelled by the gym if there is insufficient enrollment.
